DAY \_INT HOSPITAL WARD

Sophia looks at Mark with a frightened expression. Her eyes roll and she starts to cry in Mark's arms. At the same time, she gives a hint to Dr. Shawn with her eyes.

SOPHIA

(innocent, pretending to cry):

I need a blood transfusion because I am weak. But, I am afraid that Anna will hit me, and that I will make things difficult for you. So...

DR. SHAWN

(nodding and smiling awkwardly):

That's right. It's true.

MARK

(feeling bad):

Little fool, as long as you are ok.

Anna sneers incredulously and looks at Mark stupefied.

ANNA

(incredulous):

Wow, you can't even see through such poor acting?

MARK

(fierce):

Enough! Do you have to see her die?!

Anna looks desperate and finally makes up her mind.

ANNA

(coldly):

Mark, I want a divorce.

Mark is surprised at first and then his expression turns fierce.

MARK

(fierce):

What did you say?

ANNA

(coldly, holding up blood bag):

I have had enough of these over the past three years.

MARK

(exasperated):

Divorce? Then what about Sophia?

ANNA

(taunting):

You can take care of your beloved Sophia wholeheartedly from now on, can't you?

MARK

(pinching her neck):

I said I just treat Sophia as my little sister! I take care of her because of her brother!

Anna desperately breaks free from Mark and gives him a backhand slap.

ANNA

(furious):

It has nothing to do with me! I am not this cheap woman's private blood bank!

MARK

(anger approaching Anna):

You vicious woman, you know Sophia can't live without you!

Anna steps back as Mark approaches.

ANNA

Then let her die!

MARK

(exasperated):

If anything happens to Sophia! I will make you regret it!

Mark tries to slap Anna again. Anna stares at Mark fiercely and raises her hand to grab Mark's hand.

ANNA

(glaring at him):

You will regret it. Not me!
